Shamanic Mysteries of Egypt

Pilgrimage to Egypt with Nicki Scully

November 6-21, 2009

Please join KG Stiles in traveling to Egypt with renowned author and teacher, Nicki Scully for an extraordinary experience that will transform your life. Nicki has had a 30-year love affair with the majestic, magical place that is Egypt, returning again and again to quest for direct experiences into the heart of the Egyptian mysteries. Our explorations, that take place in the temples, and sacred power places of ancient Egypt, are both private and uniquely personal. Of course Anubis, Thoth, Isis, and Sekhmet among many others in the revered pantheon will be our true guides as we journey into the sacred heart that is ancient Egypt.
