

The Electro-Chemical Effects of Aromatherapy

How essential oils stimulate the olfactory nerve to affect your hormonal system (memory, mood and emotions).

Certified Aromatherapist KG Stiles is the Founder & Director of PurePlant Essentials organic aromatherapy, single essential oils and aromatherapy blends for healthy living, including for colds and flu, insomnia, stress, anxiety, depression, menopause, memory, anti-aging, skin care and more. You can find PurePlant Essentials in Ashland at Soundpeace, Shop N' Kart, and Springhill Wellness Center.
